SELF-CARE IS CRITICAL

Service as an advocate and supporter is selfless and comes from a place of love, empathy, and true compassion! Your work is critical and life changing for the children that we serve.

But this work is not for the faint of heart and you have to take care of YOU!

Here are a few tips:

- Spend some time outside
- Meet friends for coffee
- Read a book
- Work on a craft project
- Schedule a visit to the spa
- Cook or bake something yummy
- Snuggle with your pet or a fuzzy blanket
- Find a friend you can talk to (maintaining case confidentiality)

ADVOCATE OF THE MONTH:

Maggie Montes

Maggie joined us in May of 2024 as a new Advocate. Her family lives in the Whitney area. Maggie goes above and beyond for children and their families!

“Ever since I was a little girl the Lord put a passion in my heart for all kids, but specifically the hurting ones. Once I heard about CASA I knew I wanted to be apart of it, and what it stood for! It’s such an amazing organization and the opportunity we have, to not only be the voice for children, but most importantly to be there for them and walk with them during the most difficult time of their lives. Thank you, CASA for the opportunity.”
