

## DIAPER CLOSET

Don't forget that we have a diaper closet (including: diapers, pullups, nighttime pullups & wipes) at the office! Please encourage your relative/fictive placements to utilize this resource!

## TBRI - WHAT IS THAT?

You may have heard us talk about TBRI recently. Hill County was selected, with other Texas CASA Programs, to participate in a TBRI pilot training program! Want to learn more?

Check it Out!!

Thanks to generous donors & the Gaines Foundation grant, we were able to meet some significant needs for two of the children we serve; a twin bed, toddler bed, toddler mattress, and sheets!

## ADVOCATE APPRECIATION EVENT!

You, our treasured advocates, are the most VITAL part of what we do. Join us as we celebrate you and your hard work.

We can't wait to show you all the love and appreciation.

We will have a meal of charcuterie, guest speaker, and a special gift for our advocates.

Please RSVP by April 21 for you and a guest.

FBC Hillsboro - April 24 - 6PM

THANK YOU!

## ADVOCATE OF THE MONTH:

# Jimmy Stewart

We might call Jimmy Stewart our Rookie Advocate of the month, Jimmy was sworn in March 6th and given a case right away! He jumped in with both feet and took on a challenging case with a lot of moving parts. He connected to the kids right off the bat with his super cool "fireman" status. He serves the community of Spring as a Fire Captain while living in Hill County.

"I have a real passion for kids who aren't adequately cared for or are mistreated. I know that many of those children fall through the cracks. I believe that becoming a CASA volunteer is one of the few ways I can make a meaningful difference in the lives of some of these children."
