ADVOCATE OF THE MONTH:

Teri Best

When I retired after 31 years as an educator, I knew I wanted to keep making a difference in children's lives. Becoming a CASA advocate was a natural next step—a way to give back to the community and ensure that every child feels seen, supported, and heard. It's my way of continuing to stand up for kids who need someone in their corner.

"Jeremiah 29:11" For I know the plans I have for you,' declares the Lord, 'plans to prosper you and not to harm you, plans to give you hope and a future.
